

**Ratings Sheet**  
**2016 Media Award**  
*(Return by March 1, 2016)*

Entry Number \_\_\_\_\_

Rate each criterion of the entry between 0-10 (10 being highest).  
(Maximum 40 points per entry.)

1. Portrays today's technical college learning environment positively with originality and creativity (e.g., innovative curricular success, responding to student attitudes toward learning, college/board actions to improve access or opportunities for learners).

Rating \_\_\_\_\_

2. Portrays positive "human" impact/relationships of technical college education and learning (e.g., student/ teacher relationships and how they work together and support each other in learning, how the district has responded to community needs with a particular initiative or program, student success despite unusual challenges, etc.).

Rating \_\_\_\_\_

3. Reports or comments positively on the technical college and contributes to a better public presence and/or understanding of the college's mission and service.

Rating \_\_\_\_\_

4. Thoroughly covers the subject matter in stimulating and clear fashion.
