CAREER SERVICES

The Career Services team offers a wide scope of services and tools that can help students as they seek employment. Students can receive one-one-one assistance with their resume and cover letter, take part in mock interviews, explore career and internship opportunities, and also explore other effective job search tools as they take the next step in their career.

CREDIT FOR PRIOR LEARNING

Earn credit for your previous learning and acquired skills through credit for prior learning, a process that allows NTC to grant you course credit for knowledge and skills gained through a variety of previous educational, work, volunteer, military, independent study, corporate training and life experiences that is equivalent to NTC coursework.

STUDENT LIFE

Student Life is the living and learning that takes place outside the classroom. It's about finding your fit as a Timberwolf! Through leadership, exploration, advocacy and development you'll form friendships and become a part of a community that makes your college experience more than a collection of courses. Stay tuned to the weekly Student Life email or visit our web site for upcoming events and ways to become involved.
